

Time	Presenter	position	Title	Photo
8:00– 08:15	Recitation of the Holy Qur'an and The National Anthem of the Islamic Republic of Iran			
08:15 –08:30	Dr. Kamran Bagheri Lankarani	Congress chair, Faculty Member of Shiraz University of Medical Sciences, Chairman of Health Policy Research Center, Shiraz University of Medical Sciences	Welcome speech and explaining the importance and goals of the Congress	
08:30 –08:40	Dr. Seyed Jalil Masoumi	Congress Secretary, Head of the Information Technology Incubator of Medical Sciences	Congress Secretary Speech	
08:40-08:45	Congress Trailer			
8:45 –8:55	Dr. Mehrzad Lotfi	Chancellor of Shiraz University of Medical Sciences	University Chancellor Speech	
08:55–09:05	Mohammad Javad Azari Jahromi	Minister of Information and Communications Technology	Speech of the Minister of Information and Communications Technology	
09:05–09:15	Dr. Farid Najafi	Vice chancellor for Research and Technology Ministry of Health and Medical Education	Speech of Vice chancellor of Research and Technology Ministry of Health and Medical Education	
09:15–09:25	Dr. Maryam Hazrati	'Deputy for Nurses affairs, Ministry of Health	Usage of digital health in providing nursing care	
9:25 – 09:40	Dr. Hossein Vatanpour	Faculty member of Shahid Beheshti University of Medical Sciences and Chairman of Health Technology Development Office Ministry of Health and Medical Education	The use of digital health and artificial intelligence for healthcare	
09:40 –09:45	Sponsor's video advertisement			
09:45 –10:05	Dr. Ashkan Mowla	Interventional Neuroradiology, University of Southern California	How have Advanced Neuroimaging ?Applications changed stroke treatment	
10:05 –10:30	Dr. Hamid Reza Rabiei	Faculty member of Sharif University of Technology	Application of Mobile artificial intelligence in medical imaging	
10:30 –11:15	Dr. Cenk Tezcan	Mobile health Entrepreneur	Using mobile phones for health promotion	
11:15 -12:00	Dr. Mojtaba Hosseini	Faculty member of Linköping University Sweden	Business models on Mobile health	

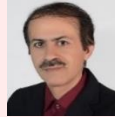

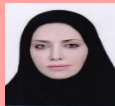

**First day (Tuesday)
February 16, 2021**

	Time	Presenter	position	Title	Photo
	12:00 -12:20	Dr. Seyed Sattar Hashemi	Deputy Minister of Technology and Innovation of the Ministry of Information and Communications Technology	Online diagnosis of COVID19 from CT images	
	13:00-13:30	Dr. Farshad Farzadfar	Faculty member of Tehran University of Medical Sciences	NCDRC Initiatives to Control the COVID19 pandemic	
First day (Tuesday)	Mobile health Entrepreneurship, investment and marketing				
	13:30-14:00	Dr. Nadeem Mahmood	Faculty member of Karachi University	Lessons learned in Pakistan: mhealth and Covid-19	
	14:00-14:20	Ali Nik Mohammadi	Director of Shiraz Hub Company	The role of accelerators in the development of mobile health business, challenges and opportunities	
	14:20 -14:40	Dr. Arsalan Safari	Faculty member of Qatar University	Development of Entrepreneurship and mobile health	
	14:40-15:00	Bitra Farhadpour	Director of virtual care, USA	The Journey of Scaling Virtual Health Services	
	15:00-15:20	Dr. Azita Tavallaei	Managing Director Virtual Health	Two examples of telemedicine services related to Sleep Disorders Center, Ordibeheht Specialty Hospital, Shiraz, and GVMH (Global Virtual Mental Health) Group	
	15:20-15:45	Dr. Mohammad Jalali	Faculty member of Harvard University	How to integrate telemedicine into China's ?anti-COVID-19 strategies	
	13:30-16:00	Presenting papers and posters			
	16:00-17:30	Panel: Mobile health and business models			
	Panel presenter	Dr. Sayed Ali Akbar Safavi	Faculty member of Shiraz University, Dept. of Power and Control Engineering, School of Electrical and Computer Engineering		
	Panel Members	Dr. Mojtaba Hosseini	Faculty member of Linkoping University, Sweden		
		Dr. Amir Sharafkhaneh	Faculty member, Baylor College of Medicine, Houston, Texas, US		
		Majid Dehbidipour	President at Sharif Science & Technology Park		
Dr. Reza Akbari		Associate Professor of Computer Science, Shiraz University of Technology			

Time	Presenter	position	Title	Photo
	Mehdi Abbaskhani	Managing director, Harkat Aval company		

2nd day Wednesday 17 February	Parallel program			
	08:30-11:30	Presenting papers and posters		

Parallel program					
Second day, Wednesday, February 17	8:00-8:30	Dr. David M. Levine	Division of General Internal Medicine and Primary Care, Brigham and Women's Hospital & Harvard Medical School, Boston, MA, USA.	Acute Care at Home: Home Hospital	
	8:30-8:55	Dr. Najmeh Maharlooe	Faculty Member of Health Policy Research Center	Virtual Hospital: Challenges and Strategies	
	The use of mobile health technologies in nutrition				
	8:55-9:20	Dr. Seyed Jalil Masoumi	Faculty member of Shiraz University of Medical Sciences, PhD in Clinical Nutrition	Nutrition Apps and their growing trend in recent years	
	9:20-09:45	Dr. Amin Salehi	Assistant professor of Nutrition, Shahid Sadoughi University of Medical Sciences and Health Services	The use of Mobile Artificial Intelligence : for Evaluation of Food Intakes Transformation of Nutrition Science Research	
	First panel: The role of cyberspace in the promotion of nutritional science in the Covid-19 pandemic Panel chair: Dr. Najmeh Hejazi Panel presenters: Dr. Majid Karandish, Dr. Najmeh Hejazi				
	Panel Presenter	Dr. Najmeh Hejazi	Faculty member of Shiraz University of Medical Sciences		
	9:45 -10:00	Dr. Majid Karandish	Faculty member of Ahvaz Jundishapur University of Medical Sciences	Social networks and their effects on therapeutic regimen follow-up of patients and healthy individuals	
	10:00-10:15	Dr. Najmeh Hejazi	Faculty member of Shiraz School of Nutrition and Food Sciences	The role of cyberspace in the promotion of nutritional science in the Covid-19 pandemic	
	10:15-10:45	Panel discussion			
	Dr. Mohammad Hassan Eftekhari	Faculty member of Shiraz University of Medical Sciences			

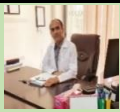

Time	Presenter	position	Title	Photo
Panel members	Dr. Majid Karandish	Faculty member of Ahvaz Jundishapur University of Medical Sciences		
	Dr. Ali Tavakoli	Faculty member of Shiraz University of Medical Sciences		
	Dr. Amin Salehi	PhD in Nutrition, Faculty member of Shahid Sadoughi University of Medical Sciences, Yazd, Iran		
Second panel: Role of cyberspace in nutrition and diet therapy				
Panel presenter	Dr Zahra Sohrabi	Faculty member of Shiraz University of Medical Sciences , PhD in Nutrition		
10:45-11:00	Dr Zahra Sohrabi	Faculty member of Shiraz University of Medical Sciences , PhD in Nutrition	Role of cyberspace in nutrition education	
11:00-11:15	Dr Azadeh Najjarzadeh	Shahid Sadoughi University of Medical Sciences , Yazd, Iran	Online nutrition consultation: challenges and opportunities	
11:15-11:45	Panel discussion			
Panel members	Dr Hamidreza Farshchi	,Faculty member of Natingham University, England. Nutritionist Fellow in obesity and diabetes		
	Dr Azadeh Najjarzadeh	, Shahid Sadoughi University of Medical Sciences		
	Dr Seyed Mohammad Mazloomi	Faculty member of Shiraz University of Medical Sciences		
	Dr Marzyeh Akbarzadeh	Faculty member of Shiraz University of Medical Sciences		
11:45 -12:00	Dr. Seyedeh Maryam Abdollahzadeh	PhD in Nutrition	Role of applications in counting carbohydrates in type I diabetes	
12:00-12:15	Dr. Maryam Ekramzadeh	Assistant Professor of ,Nutritional sciences School of Nutrition and Food Sciences. Shiraz University	The role of mobile Apps in celiac disease management	

Second day , Wedensday, February 17

	Time	Presenter	position	Title	Photo
Second day , Wednesday, February 17	Parallel Program				
	Workshop : An Introduction to the principles of medical nutrition therapy (MNT) and diet in inherited metabolic diseases (PKU) Through the use of software and applications				
	13:00-13:15	Dr. Seyed Jalil Masoumi	Faculty member of Shiraz University of Medical Sciences, PhD in Clinical Nutrition	Nutrition Apps for metabolic diseases	
	13:15-13:30	Dr. Zohreh Mazloom	Faculty member of Shiraz University of Medical Sciences, PhD in Clinical Nutrition	Nutrition management of metabolic diseases	
	13:30-15:00	Dr. Seyedeh Maryam Abdollahzadeh	PhD in Nutrition	The importance of medical nutrition therapy (MNT) and the principles of Dietary adjustments for PKU patients	
	15:00-15:30	Dr. Seyedeh Maryam Abdollahzadeh	PhD in Nutrition	The use of comprehensive Apps for Dietary adjustments in hereditary metabolic diseases in different age groups of PKU patients	
	15:30-16:00	Questions and Answers			

	Parallel Program				
	The use of mobile health technologies for rehabilitation				
Second day , Wednesday, February 17	13:00-13:10	Dr. Zahra Rojhani Shirazi	Faculty member of Shiraz University of Medical Sciences, PhD in Physiotherapy	The Program Opening : A short overview of the use of mobile health for rehabilitation in the recent ten years	
	13:10-13:35	Dr. Iman Rezaei	Faculty member of Shiraz University of Medical Sciences, PhD in Physiotherapy	Introducing virtual reality Apps in rehabilitation and their importance in the corona crisis	
	13:35-14:00	Dr. Mohammad Taqi Karimi	Faculty member of Shiraz University of Medical Sciences, PhD in Bioengineering(prosthetic limbs and assistive devices)	The Use of software for prediction of treatment response of rehabilitation program	
	14:00-14:25	Dr. Mohammad Majid Oriadi Zanjani	Faculty member of Shiraz University of Medical Sciences, PhD in Speech Therapy	The importance of using virtual systems for evaluation of verbal and non-verbal communication disorders in the Covid-19 pandemic	
	14:25-14:50	Dr. Somayyeh Kavousipour	Faculty member of Shiraz University of Medical Sciences, PhD in Occupational Therapy	Work-life balance while social distancing ,in the Covid-19 pandemic, importance evaluation and treatment	

	Time	Presenter	position	Title	Photo	
Second day , Wednesday, February 17	14:50-15:20	Panel: mobile health and rehabilitation; Past, present and future				
	Panel members	Panel presenter	Dr. Zahra Rojhani Shirazi	Faculty member of Shiraz University of Medical Sciences, PhD in Physiotherapy		
		Dr. Mohammad Taqi Karimi	Faculty member of Shiraz University of Medical Sciences, PhD in Bioengineering(prosthetic limbs and assistive devices)			
		Dr. Mohammad Majid Oriadi Zanjani	Faculty member of Shiraz University of Medical Sciences, PhD in Speech Therapy			
		Dr. Somayyeh Kavousipour	Faculty member of Shiraz University of Medical Sciences, PhD in Occupational Therapy			
		Dr. Iman Rezaei	Faculty member of Shiraz University of Medical Sciences, PhD in Physiotherapy			
14:00-16:00	Presenting papers and posters					

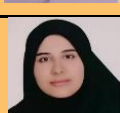

Second day , Wednesday, February 17	Parallel Program				
	Mobile Health Apps for caring older people				
	Policy making -1				
	13:00-13:20	Dr. Hesameddin Allameh	Head of the Secretariat of the The National Council for Senior Citizens	National Document for the Elderly	
	13:20-13:40	Dr. Maryam Hazrati	Faculty member of Shiraz University of Medical Sciences, PhD in Gerontology	Reducing the Burden of Chronic Disease in the Elderly by Using Mobile Health	
	Opportunities, Challenges, Scientific Evidence, and domestic Experiences -2				
	13:40-13:50	Dr. Mohammad Hussein Kaveh	Faculty member of Shiraz University of Medical Sciences, PhD in Health Education	The use of mobile health for promotion of therapeutic self-care among older adults	
	13:50-14:00	Dr. Abdol Rahim Asadollahi	Faculty member of Shiraz University of Medical Sciences, PhD in Gerontology	Age-friendly online banking	
	14:00-14:10	Dr. Leila Ghahramani	Faculty member of Shiraz University of Medical Sciences, PhD in Health Education	Remote care for rural elders with smartphone applications and GIS	
	14:10-14:20	Dr. Mahin Nazari	Faculty member of Shiraz University of Medical Sciences, PhD in Health Education	Improving technophobia via smartphone training to promote health in old age	

	Time	Presenter	position	Title	Photo
Second day , Wednesday, February 17	14:20-14:30	Tahereh Sokoot	Haed of Farzanegan (Farhikhteh) Institute and Soroush elderly day care center	-Virtual care for the elderly in the Post Coronavirus -Pandemic: The experience of a non government organization	
	14:30-14:45	Dr. Masoud Karimi	Faculty member of Shiraz University of Medical Sciences, PhD in Health Education	Opportunities and challenges of mobile health training among the elderly	
	Structural domain -3				
	15:00-15:15	Dr. Sharareh Rostam Niakan Kalhori	Faculty member of Tehran University of Medical Sciences, PhD in Medical Informatics	Structural requirements and successful experiences of using mobile health for the care of the elderly worldwide	
	15:15-15:30	Dr. Shahaboddin Abhari	Faculty member of Mazandaran University of Medical Sciences, PhD in HIM	Entrepreneurial opportunities in the field of mobile applications for elderly healthcare	
	Summary -4				
	15:30-16:00	Dr. Behnam Honarvar	Faculty member of Shiraz University of Medical Sciences, PhD in Social Medicine	-Summary of the contents and declaration based regulation, and future activities of the members	

Third day , Thursday, February 18	Parallel Program				
	The utility of mobile health for medical imaging				
	8:30 –09:00	Dr Mehrzad Lotfi	University of Medical Sciences ,Professor of Radiology Body MRI Fellow	The Perspective of applying artificial intelligence in medical imaging	
	09:00 –09:30	Dr. Abbas Emamina	, Cardiac Imaging Fellow University of California	Tele-medicine in COVID-19	
	09:30 –10:00	Dr. Omid Pournik	Faculty member of Iran University of Medical Sciences	The use of artificial intelligence for radiographic COVID-19 detection using a mobile phone	
	10:00-10:30	Dr. Farhad Fatehi	Centre for Online Health, The University of Queensland, Australia	Health monitoring using mobile phone	
	10:30-11:00	Dr. Mehran Yazdi	Department of Electrical and Electronic Engineering, Faculty member of Shiraz University	Signal processing for mobile imaging	
	11:00-11:30	Dr. Alireza Shakibafard	Chancellor of Fars Association for Medical Imaging, radiologist	Challenges of mobile imaging	

	Time	Presenter	position	Title	Photo
Third day Thursday February 18	Parallel program				
	08:30-11:30	Presenting papers and posters			

Third day , Thursday , February 18	Parallel Program				
	Workshop: An introduction to the process of producing virtual reality applications in rehabilitation and its several applications				
	09:00-10:00	Dr. Iman Rezaei	University of Medical Sciences PhD in , Physiotherapy	How to design a virtual reality specific ?physiotherapy application Introduction of several applications compatible with Android operating systems	
		Dr. Zahra Rojhani Shirazi	Faculty member of Shiraz University of Medical Sciences, PhD in Physiotherapy	Android in the fields of evaluation, teaching and treatment	
	10:00-11:00	Dr. Mohammad Majid Oryadi	Faculty member of Shiraz University of Medical Sciences, PhD in Speech Therapy	Available speech therapy Apps	
	11:00-12:00	Dr. Abolghasem Fallahzadeh	Faculty member of Shiraz University of Medical Sciences, PhD in Occupational therapy	Remote occupational therapy in Covid-19 Pandemic: emphasizing the training of family and caregivers	

Third day , Thursday , February 18	Parallel Program				
	Workshop: Strategies for launching mobile health startups				
	08:30-09:00	Dr. Saeid Saeidinezhad	PhD in Medical Informatics	Methods and needs for launching Health startups	
	9:00-9:30	Dr. Azita Yazdani	Faculty member of Shiraz University of Medical Sciences, PhD in Medical Informatics	Mobile health applications and Implementation methods	
	09:30-10:00	Dr. Somayeh Zaker Abbasali	Faculty member of Shiraz University of Medical Sciences, PhD in Medical Informatics	Methods of evaluating mobile health applications	
	10:00-10:30	Dr. Mohsen Zamani	Faculty member of Shiraz University of Medical Sciences	Presenting examples of mobile health - applications mobile health for diabetes follow-ups	
10:30-11:15	Dr. Behrooz Alizadeh	PhD in Medical Informatics, Center for Strategic Research in Medical Education	New mobile health games		
	Dr. Azadeh Bashiri	Faculty member of Shiraz University of Medical Sciences			

	Time	Presenter	position	Title	Photo	
	11:15-12:00	Dr. Somayyeh Zaker Abbasali	Faculty member of Shiraz University of Medical Sciences, PhD in Medical Informatics	Standards and architecture of mobile health applications		
Third day , Thursday, February 18	Parallel Program					
	Health Information Systems					
	13:00-13:20	Dr. Ali Mohammadi	Consultant at the National Cybersecurity Center	National Document on Digital Transformation of Health with a Mobile Health Approach		
	13:20-14:00	Panel: The global status of Health IT Regulations with an approach to development of mobile health services: an investigation of an Iranian sample				
	Panel Presenter	Dr. Ali Alizadeh	Ministry of Health, Office for Health Technology Development, Head of Policy and planning group			
	Panel Members		Dr. Mahmoud Tara	Faculty member of Mashhad University of Medical Sciences		
			Dr. Seyed Hedayatollah Faghih	Head of ICT, Ministry of Health		
			Dr Ali Mohammadi	Consultant of National center for cyberspace		
			Mostafa Bahmanabadi	Deputy of Amirkabir Virtual Care Center		
	14:00-14:40	Panel: Mobile Solutions for Home Health Care				
	Panel Presenter	Dr. Roxana Shariffian	Faculty member of Shiraz University of Medical Sciences PhD in HIM			
	Panel members		Dr. Payvand Bastani	Faculty member of Shiraz University of Medical Sciences		
			Dr. Somayyeh Zaker Abbasali	Faculty member of Shiraz University of Medical Sciences		
			Dr. Ali Selk Ghaffari	Head of Sharif University of Technology International Campus		
			Dr. Mohsen Zamani	Faculty member of Shiraz University of Medical Sciences		

	Time	Presenter	position	Title	Photo	
		Dr. Azita Yazdani	Faculty member of Shiraz University of Medical Sciences			
Third day , Thursday, February 18	14:40-15:20	Mobile Health in the Covid-19 Pandemic: Opportunities, Threats and the New Horizons Ahead				
	Panel Presenter	Dr. Seyed Mohammad Javad Mortazavi	Faculty member of Shiraz University of Medical Sciences			
	Panel members		Dr. Alireza Mehdizadeh	Faculty member of Shiraz University of Medical Sciences		
			Dr. Azadeh Bashiri	Faculty member of Shiraz University of Medical Sciences		
			Dr. Saeid Saeidinezhad	PhD in Medical Informatics		
			Dr. Ali Mohammadi	Consultant of National center for cyberspace		
	15:20-15:30	Dr. Roxana Sharifian	Faculty member of Shiraz University of Medical Sciences	Presenting successful research projects and dissertations related to national mobile health achievements		
	15:30-15:45	Mostafa Bahmanabadi	Deputy of Electronic Health Center, Amirkabir University of Technology	Providing successful applications for national mobile health achievements		
	15:45-15:55	Sedigheh Emadi	Head of Medical Informatics in Shiraz University of Medical Science	Implementation of remote healthcare in the Covid-19 pandemic		
	15:55-16:15	Dr. Farhad Lotfi	Faculty member of Shiraz University of Medical Sciences and General Manager of Ears Health Insurance	Electronic measures in the field of health insurance		

Parallel Program	
14:00-16:00	Presenting papers and posters

Third day
 Thursday
 February 18
 (دوشنبه)
 1399/11/30

	Time	Presenter	position	Title	Photo
, Third day , Thursday February 18	Parallel Program				
	Workshop: Medical imaging facilities and the use of applications for medical imaging				
	13:00-14:00	Dr Mehrzad Lotfi	Chancellor of Shiraz University of Medical Sciences, Professor of Radiology, Body MRI Fellow	Mobile and tablet applications for medical imaging	
	14:00-16:15	Dr. Alireza Shakibafard	Chancellor of Fars Association for Medical Imaging, radiologist	Use of portable devices for Medical imaging	
	16:15-16:45	Closing Ceremony
